

Build Update

The build continues with the hand over date of 26th June 2015 and the Trust hopes to begin activities from the NCT Centre in July with an opening event in August. We will keep you updated on this.

Unfortunately, we have had unwanted visitors to the site with tools and equipment being stolen and some damage. This is your community centre and we would ask you to help us by keeping an eye out and reporting anything suspicious. But keep an eye out for the security and new cameras!

More good news from supporters, funding secured from Viridor Credits for landscaping of the library site and from NHS Lanarkshire for intergenerational and health activities when the NCT Centre opens.

The Trust continues to be busy with all the preparations for the opening of the Centre, ordering the furniture & fittings and developing partnerships for activities, clubs, groups and services to be delivered from the NCT Centre

Do not forget to keep an eye on the Office windows where we will put up notices, on facebook and twitter. The monthly newsletter is also available by email, just let me know and I will add you to the list.

Now over to you

We are looking for your ideas for clubs, groups, activities and services **YOU** would like to see at the Centre

If you don't know what the Centre is all about, what will be in it or have ideas for the Centre then please let me know or drop into the office at 124 Manse Road.

Volunteers

The NCT Centre is a community owned building being managed by Newmains Community Trust on your behalf. The Trust is looking for people from local communities who are interested in helping with the day to day running of the NCT Centre or, in preparation for the opening and, as potential new Board Members for it's management. For details or an informal chat please contact Sandy in the Trust Office.

Toddlers Group Update

From the feedback received there does appear to be a need to operate some form of “Toddler's Group” at the NCT Centre. Requests were made for a mix of just tea and social, running a programme of activities for the toddlers combined with a programme of awareness and support for the adults. For this to become a regular group we are looking for any local people who would be interested helping to run this group and if you can contact me direct I will then arrange another get together.

Updates and information on our Facebook and Twitter pages so don't forget to look often and like/follow us
