Staff and Volunteers

Information regarding paid staff posts is being finalised and will be widely advertised including in the office window.

This will be a mix of roles from admin to catering, gardening to reception and can be from a few hours to a few days per week. Training will be provided free for volunteers.

The Trust is looking for Board Members to come onto the Management Team. A good cross section of the community is needed to ensure the NCT Centre is sustainable and successful in meeting community needs.
